

GETTING YOU STARTED WITH AN ENHANCED PYP PROGRAMME OF INQUIRY

We wanted to provide you with some inspiration as you plan out your next Programme of Inquiry for the enhanced PYP. Our Faria PD team, together with a group of leading PYP educators in Portland, Oregon, developed an exemplar POI for your immediate use reflecting the new enhanced PYP changes. Complete with full coverage of the PYP scope and sequence and mapped to academic standards such as Common Core, these units of inquiry can be instantly transferred into your ManageBac account, modified for your school, and utilised in your classrooms.

Transdisciplinary theme	Who we are	Where we are in place and time	How we express ourselves	How the world works	How we organize ourselves	Sharing the planet
