Great Goal!

Good job getting a perfect score on your latest quiz! Keep up the good work.

Sharon Arese Tuesday, Sep 18, 2018 at 5:00 PM

Practice Makes Perfect

Hi Henry,

I can gather a list of words that you can use to practice. With practice and patience you will achieve your goal!

Ann Epelbaum Tuesday, Sep 18, 2018 at 5:02 PM

Thank you Sharon, I will help Henry regularly practice these!

Making Paper Airplanes

Today we explored the idea of flight and planes through modelling paper planes. Henry was quick to ask what kind of paper airplane would go the furthest. He decided to make several types to explore this question. He compared the flight distance of a small plane versus a larger one. The other variable he considered was the material and made one out of a thick card paper and the other out of regular printing paper.
