synthesize disciplinary knowledge to demonstrate interdisciplinary understanding.

MYP Objectives

A: Knowing and understanding

i. explain physical and health education factual, procedural and conceptual knowledge

ii. apply physical and health education knowledge to analyse issues and solve problems set in familiar and unfamiliar situations

iii. apply physical and health terminology effectively to communicate understanding

C: Applying and performing

i. demonstrate and apply a range of skills and techniques effectively

ii. demonstrate and apply a range of strategies and movement concepts effectively

iii. analyse and apply information to perform effectively

D: Reflecting and improving performance

i. explain and demonstrate strategies to enhance interpersonal skills

ii. analyse and evaluate the effectiveness of a plan based on the outcome

iii. analyse and evaluate performance
Skills

- Soccer has an audience of over six billion people
- Effective choice of tactics and strategies in Performance or playing situations is advantageous

Learning Experiences

Learning Experiences and Teaching Strategies

Learning experiences:

Small groups, collaborative learning, apply isolated skills in games, communication
Students will be videoed during small-sided play and peer assessed; in addition to self-reflection and journaling in their “Sportfolios”
Pairing students of a variety of ability and skills levels with stronger and weaker performers. Color-coating the players on the field to have positions represented by differing bib colours (visual).

Formative assessment will be used for the students to investigate on the impact of football on Africa.
Variety of situations will be created to mimic the pressure of a real match.
Students will learn how football can bring people (fans) together - crowd unity.

Teaching strategies:

Formative assessment will be used for the students to investigate on the impact of football on Africa.
Variety of situations will be created to mimic the pressure of a real match.
Students will learn how football can bring people (fans) together - crowd unity.

Differentiation

Students will learn through inquiry-based practice. Teaching will take the form of guidance.
